3. Mail to: SGMP, P.O. Box 774, Springfield, Ill 62705
4. Bring your completed form to the April 27, 2010 luncheon Meeting

## Planner and Supplier of the Year Nominations

Please take a few moments to reflect on the many accomplishments of the Heart of Illinois Chapter. We have worked hard to increase our membership and we have coordinated several outstanding educational programs, community service projects, and networking opportunities as well as some special fundraiser events.

We thank everyone for working together to make the Heart of Illinois chapter the best it can be. However, if you know of someone who really went the extra mile for the chapter – someone who donated a lot of time and resources, or provided extra support and encouragement to his or her fellow members – now is the time to honor this special individual.
